

Worksheet on 1 John 2
Biblical Greek III
Christian Leaders Institute

In the future Bible Hub will enable you to study New Testament passages in the original Greek, even if you can't quite master or remember everything from your Greek classes. The Greek tool used for this worksheet is provided as a link directly from the CLI class. If you go to Bible Hub without the CLI link, you can access any passage yourself by entering the reference in the search box at the top of Bible Hub. You can access the Greek Study Bible used in this exercise by clicking the [ΑΩ](#) icon near the center of the third menu line at the top of the Bible Hub page. To see a Greek-English interlinear, click the word [Interlinear](#) on the second menu line at the top of the Bible Hub page.

Use Bible Hub to look up answers for this Worksheet on 1 John 2. When you go to Bible Hub's Greek Study Bible, just put your pointer/cursor on a word, and information about that word appears. No matter how hard a Greek word may seem, this worksheet should be very easy, because getting the answer is as simple as putting your cursor on a word. The 15 questions from this worksheet are the first 15 questions on the quiz. If you write down your answers and have them available when you take the quiz, the Bible Tools part of the quiz will be very easy.
